Building Washington, DC 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for the Kingery Highway accessible Frontage Roads resurfacing & manhole replacement project. The entity to receive funding for this project is Addison Township located at 411 W. Potter Street, Addison, Illinois 60191. The funding would be used for resurfacing more than 3,000 feet for Frontage roads. The project is an appropriate use of taxpayer funds because this would Kingery Highway more accessible and safer for motorists.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b) (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Delia C. Ramirez  
Member of Congress
